The decision of the law court in the  
suit of Norway savings bank against  
Jas. H. Merriam, executor of the will  
of Esther H. Reed, late of Norway, and  
F. H. Millett and Harry L. Millett has  
been rendered. Several years before the  
late deed, having a deposit of nearly  
\$2000 in the Norway savings bank, she  
executed her deposit book and gave it  
to two others, dividing the deposit in  
equal parts. Our book was in her and  
Mrs. J. H. Millett's names and the  
other in her and Harry Q. Millett's  
names. The bank brought suit to deter-  
mine to whom the money should be paid.  
The law court holds that the declarations  
of Jas. Reed were not sufficient to un-  
derstand a completed gift or to create a  
voluntary trust, and that such an attempt  
is contrary to the status of wills. The  
posits all go to the Reed heirs.

way the first week of December. The

and instructive meetings ever held.

Children's Day was observed at Nor-  
way Sunday afternoon. There were  
large number of children present and  
they sat together in the body of the  
church and listened with much atten-  
tion. There were many pretty flowers at  
plants in the church.

Notwithstanding the threatening rain  
about two hundred attended the gro-  
wing meeting in Brown's grove Sunday after-  
noon. These meetings are very interest-  
ing. They are under the leadership  
of Henry W. Merrill, Band and will  
be held each Sabbath if the weather per-  
mits.

At the semi-annual meeting of the  
Norway Club, held June 28, 1893, the  
following officers were elected for the  
 ensuing term: President, George H.  
Dunn; Vice president, H. D. Stony  
Friday, the 28th. She leaves three chil-  
ren, H. M. Kimball; executive committee, E.  
Hayden, H. R. Foster, P. E. DeCoster.

Mrs. Sarah C. Bangs, widow of the  
late Robert Bangs, for many years

day morning at her residence in Nor-

Feeling of the teams and horses keep-  
ing afraid of the trains there seems to be  
more than usual. Everyone who has  
heard how it is going to be, at the train  
and it is one of the great attractions  
of the village to drive the horses around  
the cars. It is noticeable fact that the  
horses from out of the village are not so  
frightened as the village horses. They  
sometimes have had orders to stop the  
cars when they see a frightened horse.  
There seems to be about the usual num-  
ber of teams hitched along the streets.

The Bridgetown News says: A ver-  
complimentary and truthful review of  
the record of State Treasurer Geo.  
George L. Bell, copied into the Norwa-  
paper, suggests to the News that in  
these days when gubernatorial timber seems  
to be a brittle screw, that Oxford county  
which in years past had done so royally  
might still afford requisition to the tim-  
ber most admirably. The general has  
wisely filled every position of civil or  
military, to which he has been called.  
As the boy's say, "What's the matter  
with Gen. Bell as the successor of Hon.  
B. Cleaves in the gubernatorial office?"

as good as new. Neither the rain nor the snow ever stops it, and it is as regular as the sun whenever I don't forget to wind her up."

This satisfied our curiosity. Mr. Dudley is now resting from his active business life, enfeebled by years of past labor. We left him sitting on the little porch, he and his wife, the picture of contentment from a life well spent.

**DEATHS.**

A large party from Silver Lodge, D. of R., of this town paid a visit the 22d to their sister lodge at Eyeburg, Conn. They were entertained with music, both vocal and instrumental, and repast. A nice supper was laid in the large dining hall, and was partaken of by some 100. Then the company met in their hall, where a very pleasant hour was passed, and at a late hour the visiting sisters and brothers took their generous entertainers good night.

Mrs. Emma Warren of Portland is visiting friends here.

**The Best After Dinner Pill.**

Dr. Hoot's Pills aid digestion, prevent that feeling of fullness or distress and gently yet effectively assist in the assimilation and digestion of food. They do not gripe or pain and they do not weaken the body. On the contrary they have a strengthening and stimulating effect. They rouse the liver, prevent stoness and cure sick headaches. Hoot's Pills are purely vegetable, perfectly harmless and may be used safely by delicate women and children.

**Eczema**

From early childhood until I was grown my family spent a fortune trying to cure me of this disease. I visited Hot Springs and was treated by the best medical men, but was not benefited. When all things had failed I determined to try S.S.S., and in four months was entirely cured. The horrible eczema was gone, not a sign of it left. My general health built up, and I have never lost one grain of the disease since.
